# 30 Replies

# From This Want Ad. In The Washington Times

Help Wanted-Male.

6 replies the first day. WANTED—Good foreman for local contractor; must understand building plans; state experience and salary expected. Address BOX myll-at 5 replies the third day.

Isn't there something you want today? Or is there something you don't want-that somebody else probably does?

There are 45,000 regular buyers of The Times every evening. If they were all to attend a meeting at one time, it would require a building seven times as large as Convention Hall to hold them.

These people are alive to opportunities. Tell them your story through Times Want Ads -you'll find them a most responsive audience.
